

Science

	Autumn		Spring		Summer	
	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Year 1	Plants <i>How can we identify different plants and trees?</i>		Animals and Humans <i>How can we group animals?</i>	Everyday Materials <i>Why do we use different materials for different things?</i>	Seasonal Changes <i>Why does the weather change during the different seasons?</i>	
Year 2	Plants <i>How do seeds and bulbs grow into healthy plants?</i>	Living Things and their Habitats <i>How do we know something is alive?</i>	Animals Including Humans <i>Why do we need to keep healthy?</i>		Uses of Everyday Materials <i>How are materials chosen in design?</i>	
Year 3	Plants <i>How does each part of a plant fulfil its function?</i>	Animals Including Humans <i>How do the systems inside our body work to make a healthy human?</i>	Rocks and Soils <i>How can we classify rocks?</i>	Forces and Magnets <i>How do magnets work?</i>	Light <i>What is light?</i>	
Year 4	Living Things and their Habitats <i>Which living things can be found in the local area?</i>	Animals Including Humans <i>What happens to the food we eat?</i>	States of Matter <i>Can materials change state?</i>		Sound <i>What is sound?</i>	Electricity <i>What is electricity?</i>
Year 5	Living Things and their Habitats <i>How do living things reproduce and why is this important in a life cycle?</i>	Animals Including Humans <i>How do we change as we grow older?</i>	Properties and Changes of Materials <i>How do materials change?</i>		Forces and Magnets <i>Are there different types of forces?</i>	Earth and Space <i>What is the solar system?</i>
Year 6	Living Things and their Habitats <i>What is classification?</i>	Animals Including Humans <i>How do an animal's living systems work together to maintain a healthy body?</i>	Evolution <i>What is evolution?</i>	Electricity <i>What is electricity?</i>	Light <i>What is light?</i>
